MALÉ, MALDIVES – Th.ari Spa by Mandara at NOOE Maldives Kunaavashi has been recognised in the TOP 100 Spas of the World 2026 by Luxury Lifestyle Awards, acknowledging its commitment to traditional Asian spa therapies, skilled treatment delivery, and attentive guest care. The recognition marks a proud achievement for Mandara Spa and its hospitality partner, NOOE Maldives Kunaavashi, celebrating a spa experience that brings together therapeutic traditions and contemporary island hospitality.

Developed as a dedicated spa experience within NOOE Maldives Kunaavashi, Th.ari Spa by Mandara introduces guests to traditional therapeutic practices through a setting that reflects the resort's relaxed island character. Combining Mandara Spa's established treatment philosophy with an approach centred on personal attention, Th.ari Spa offers guests an

opportunity to discover the craftsmanship of Asian spa therapy as part of their Maldivian escape.

The Art of Asian Spa Therapy, the Mandara Way

At Th.ari Spa, Mandara Spa's Asian healing heritage forms the foundation of a treatment experience that values traditional knowledge, skilled techniques, and the therapeutic qualities of touch. Drawing inspiration from massage practices developed across Asia, the spa embraces techniques involving rhythmic movements, carefully applied pressure, and an understanding of the body's response to treatment. These practices reflect Mandara Spa's commitment to preserving the art of traditional spa therapy while adapting its delivery to contemporary guest expectations.

At NOOE Maldives Kunaavashi, this philosophy is expressed through Th.ari Spa's approach to individual treatment experiences. Therapists consider each guest's preferences, physical comfort, and areas of tension, adapting their techniques to provide a session that feels both attentive and restorative. The emphasis is on the quality of the therapy itself, where professional training and the ability to respond to individual needs contribute to an experience shaped by professional expertise and individual care.

A Contemporary Island Escape with a Therapeutic Touch

Located in Vaavu Atoll, NOOE Maldives Kunaavashi offers a contemporary interpretation of the Maldivian island retreat, combining modern resort design with the natural beauty of its tropical surroundings. With beachfront and overwater accommodation, clear lagoons, and

access to the surrounding marine environment, the resort welcomes travellers seeking a balance of island exploration, leisure, and relaxation.

Within this setting, Th.ari Spa by Mandara introduces a dedicated space for traditional spa treatments, offering guests a different way to experience the island. Whether returning from time spent in the ocean, enjoying a leisurely day at the resort, or seeking a quiet moment between activities, guests can discover the benefits of therapeutic massage and attentive body care.

The spa's character reflects the relationship between NOOE Maldives Kunaavashi's contemporary hospitality approach and Mandara Spa's traditional therapeutic expertise. While the resort encourages guests to enjoy the freedom and beauty of island living, Th.ari Spa invites guests to appreciate the precision of professional massage techniques and the personal care that defines a meaningful spa experience.

A Partnership Built Around the Spa Experience

The collaboration between Mandara Spa and NOOE Maldives Kunaavashi brings together specialist spa management and a contemporary approach to resort hospitality. Through Th.ari Spa, Mandara Spa contributes its established therapeutic philosophy and operational expertise while supporting a spa identity that belongs naturally within the resort's overall guest experience.

As an international spa operator, Mandara Spa's responsibilities encompass treatment development, therapist training, service standards, and daily spa operations. These elements are essential to maintaining consistency across the guest experience, ensuring that the quality of treatment delivery is supported by professional practices behind the scenes.

At NOOE Maldives Kunaavashi, the partnership demonstrates how specialist spa expertise can be integrated into a resort's individual character without losing the traditions that define Mandara Spa. Th.ari Spa represents this balance, bringing the craftsmanship of Asian spa therapy into a contemporary island environment through the combined efforts of the spa and resort teams.

Recognising the Hands Behind the Experience

The recognition also celebrates the therapists and spa professionals whose dedication brings Th.ari Spa's treatment philosophy to life. Their knowledge of traditional massage techniques, attention to individual needs, and commitment to professional care are central to delivering the quality of service associated with Mandara Spa. Equally important is the collaboration with the resort's hospitality team, whose continued support contributes to a consistent and welcoming guest experience.

"We are delighted to see Th.ari Spa by Mandara at NOOE Maldives Kunaavashi recognised among the TOP 100 Spas of the World. This achievement is a reflection of the dedication and expertise of our spa team, who bring the traditions of Asian spa therapy to life through their skill and care. We are equally grateful to our partners at NOOE Maldives Kunaavashi for their continued trust and collaboration. Together, we are proud to offer guests a spa experience that honours our therapeutic heritage while reflecting the character of this beautiful island destination."
